

# Frontline Leadership Institute - Anchorage

Training for Frontline Supervisors in Human Services

**December 4, 5 & 6, 2018**

This training is a 3-day group learning experience that builds skills and competency for:

- Organization/Agency mission
- Professional and personal values and vision
- Learning and training styles
- Leadership skills
- Leading and building teams
- Conflict and resolution
- Communication
- Participatory management and supervision
- Staff recruitment and retention
- Strength-based staff assessment
- Staff recognition
- Motivation strategies

## Participant & Agency Commitment:

- Three-day face-to-face training in Anchorage, Alaska – December 4, 5 & 6, 2018
- Required participation in **three (3)** follow-up teleconferences and final project – December 18 (12:00-1:00), January 8 (12:00-1:00), and January 22 (11:30-1:00).
- Development, creation and implementation of a leadership positive change plan addressing a supervisory/ leadership challenge that you have identified:
  - a. In application, you will identify a specific leadership/supervisory goal or challenge you would like to change in a positive way.
  - b. During the 3-day FLI training, you will work within small groups to learn specific tools that will support the individual leadership positive change plan developed to address your challenge.
  - c. By the end of the 3-day FLI training, you will create and present an overview of your positive change plan.
  - d. In the weeks following the completion of the 3-day FLI training, you will implement your positive change plan.
  - e. On the last audio conference, you will make a four-minute presentation of the successful implementation of your positive change plan.

## Training Details:
